ALEXIS PERFECTION

Dear PURELY 18,

Is this what they mean by "love at first sight"? That's exactly how I felt when I got a glimpse of Alexis Love in your November issue. She is an unblemished beauty and exactly what I wish I see when I look in my own mirror. If your photos had been bigger, I'd have gladly taped them over my mirror and pretended I was her each morning as I get ready for work.

Instead, I dream and make little adjustments in an attempt to be just like Alexis. For the first time in my life I have begun shaving my pussy and doing the booby exercises to try to make mine as big and perfectly shaped as Alexis'.

Sometimes I'll sit on my bed and look at the pictures of Alexis and her sweet snatch and play with my own, imagining mine is hers and hers is mine. When I cum, it's like we are cumming together and it is most satisfying.

The only thing that could possibly make it better is if I could make love to this exotic lovely and get my mouth on that perfect vagina and taste her deliciousness as she tasted my own lovely hole. I love her so much!

Maribelle
Valencia, CA

Dear Maribelle,

What a beautiful name you have, and beautiful taste, as well. Alexis is stunning, and very few can live up to her physical attributes. But you are right to try to make yourself as much like Alexis as possible. Why shouldn't we strive for perfection? Good luck, and if you ever make it, please send us the photos!

RED DANI

Dear PURELY 18,

Some people are scared of clowns, others of ghosts, still others of their stepmothers, but my fear has always been of redheads. Something about their coloring and the rumors of their evil minds has given me an insane fear. If I see one walking on the sidewalk toward me, I will quickly cross the street. I've never even eaten at a certain burger franchise, thanks to that scary, white-gloved clown.

That has suddenly changed with the appearance of Dani Woodward in your magazine. She is such a gorgeous girl and the way she handles a cock and the joy she shows while doing it, suddenly my fears dissipated and, I think, have certainly turned into a real fetish for redheads!

Not only is she fucking hot from head to toe, she's got a great rack and even has some snatch hair, which is something I miss terribly since most of these girls just don't let it grow anymore or they wax or shave it off, I don't know. It's really annoying.

Of course the best part is the fucking. Anyone can see that she's totally into getting rammed by a dude, and not only

does she give him a hummer, she makes sure he rams her from many different positions. Not as many as I'd fuck her in, but I'm not a professional, so I don't have to adhere to government regulations stating how many positions a sex performer can actually engage in. Me, I'd drill her from the kitchen to the bathroom to the stairway (well, if I had stairs, I would) to the couch to the bed to the kitchen counter to my roommate's bed to the windowsill and, if I felt like it, I'd just take her outside and nail her right there on the lawn. Seriously, that's what I'd do. And probably more, too.

Luke
Winslow, AZ

Dear Luke,
There is no reason to fear redheads, not a pretty gal like Dani anyway. She's a PURELY 18 classic and she hasn't scared away a reader yet. On the contrary, we always receive stacks of mail when we publish photos of this young lovely. She's not around much anymore since she's moved to San Diego and rarely works anymore, but if we can get more photos, you know you'll see them here.

SAMMY'S A WHAMMY

Dear PURELY 18,
What's up with Sammy Cruz? Is she that hot in real life or do you guys use some of them there computer special effects. I hope she's that hot. I also hope you'll give me her phone number so I can call her up and try to bed her. What do I have to lose?

Jimmy
Cranton, WI

Dear Jimmy,
No special effects here, just hot young ladies. Sorry we can't give out the models' phone numbers, but we'll pass your letter on, and you never know what might happen.

STEPH'S STUFF

Dear PURELY 18,
You call her Stephanie Cane, I call her the hottest girl to ever walk the earth and spread her legs for the masses. Now if I could just get her to spread her legs only for me. That would be hot.

You were right to put her both on the cover and in the centerfold, because if you hadn't, I'd have probably come down there and taught you guys a lesson, and you don't want that, buster.

But more about Stephanie. She has perhaps the greatest breasts I've ever seen, and that smooth pussy is about as sweet a thing as has ever been invented. Seriously, can you imagine getting your tongue on that twat or your cock in that warm, wet, tight hole? Maybe you can't, but I can. All she has to do is chew on those stockings, I'll do the rest.

Laird
Santa Cruz, CA

Dear Laird,
We're with you! Stephanie—or whatever you want to call her—is one tasty, little vixen and we'd all give everything we have just to take a run at that sweet body. There's still time—maybe we all have a chance!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, ***Purely 18*** *gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Nikki, a curious 18-year-old, as she ponders her world of . . . what else . . .* ***SEX!***

Dear Diary,

I guess by now everyone in the world knows I'm a virgin so that means all my slutty friends are always telling me of their exploits in an effort to convince me how great sex is. I must admit, it sounds real nifty, but I just don't think I'm ready. Sure, I get horny just like anybody else, but I guess I just haven't found a guy whose penis I want rammed in my throat or stuck in my tweeter.

So I live vicariously through my overly sexually active friends.

By far my sluttiest friend is Ashley. She's been having sex for who knows how long. I know because she's been talking about it ever since she got her cherry popped, always telling everyone who would listen, which is pretty much everybody. I remember when she first got to first base (Roland), the first time she got to second base (Mark), the first time she slid into third base (Cal) and then when she finally went all the way (Derek).

To say I live vicariously through my friends' sex lives would be an understatement. And that's okay with me. My time will come, I'm sure.

It's not that I'm uninterested. I think guys are real cute and all, but I have little desire to see their, you know, penises. While I've never actually touched one, I sure hear enough about them!

Take Victoria. Last night she was telling me about this guy Adrian. As you know, Adrian is not her boyfriend, but she doesn't care. Apparently she met him at the horse races when she went there with her dad, and Adrian works there. She said they were talking like 10 minutes and she found herself in a small room by all the horse stalls and Adrian's cock was in her mouth as he leaned up against a saddle. She said his cock was really thick and she had a difficult time getting it all in her mouth but her saliva worked as really good lube and soon he was pumping in and out of her mouth and she was drooling onto the hay below.

"Do you want to cum in my mouth or do you want to fuck me?" she asked him.

"I want to fuck your pussy," he told her. "Here, turn around and lean up against the table."

Vic pulled her jeans down around her knees—she wasn't wearing panties, she never does!—and she bent over and stuck her ass out and Adrian slid in her easily. She said she was a little apprehensive because his dick was much bigger than her boyfriend's, but apparently it wasn't as difficult as expected (she credits her saliva) and she said she came really quick, which was good, because he came real quick, too, and all over her ass!

Dear Diary,

Why are my friends always trying to get me to have sex? Sure, it sounds like great fun, but I wonder if it's really for me. Sure, I feel desires and I've even noticed sometimes my tweeter gets wet when I watch certain movies, and I've kind of felt it down there, but I don't know what to do (despite my dirty friends always talking about it!) and I don't want to mess up and never get to have good sex ever in my whole life!

Anyway, Suse was telling me about some of the stuff she and her boyfriend Paul have been doing. I thought they'd already done everything—they've had total sex and she gives him blowjobs and he even cums in her mouth or on her face and he goes down on her and all that. But the other day she told me about something that I never thought she would ever do in her whole life: They had anal sex!

I know I'm pretty naïve, but putting a peenie in my pooper is not something that's on my list to do even when I do start having sex! She said that Paul had been asking for it for a long time and finally they were screwing around and she got on top of him and she had his dick in her hand and instead of sticking it in her coochie, she stuck it in her backside and just started riding him like usual. She said that after a couple minutes he was all, "Is my cock in your ass?" She told him that it was and immediately he blew his load in her butt. "I guess I should have lied," she told me, "at least then I could have got my own rocks off first!"

"Finally he was making love to me from behind when he started grunting really loud and suddenly he pulled out and I could feel hot, thick drops splattering all over my butt and my back!"

Dear Diary,

It was bound to happen. After years of hearing about the sexploits of all my friends and guys trying to get their filthy hands in my pants, I finally relented.

His name is Michael. He teaches Spanish at the college and apparently that's not all he teaches. I met him at a coffee shop not far off campus and we got to talking, when I got a text message from Victoria. I told him it was from one of my friends and I didn't need to read it right off because surely it was just talking about more of her sexual happenings.

"But aren't you curious?" he asked, confused. "After all, it's sex! It should be interesting."

I told him that it happens all the time and that I was pretty sure they were just hounding me because I'd never actually had sex. He asked me why, assuming it was a religious thing, but I told him it wasn't .

"I get horny, sure," I told him, "but I've never met a guy that I wanted to go all the way with."

He asked me if I was horny at the moment and I said I didn't know.

"Why don't you check?" he asked.

"Right here? There are people around!" I said "Look around," he told me. "These people aren't paying us any mind. You're wearing a skirt, just slip a hand up there and see if your pussy is warm and moist.

I looked around nervously. He was right, no one seemed to be looking, but I was so nervous! Finally I got the guts and I put my hand on the outside of my panties and, sure enough, they were both warm and wet.

"So?" he asked as my hand made its way back to the table. "How was it?"

"Well," I began shyly, "it was awful warm. And wet."

He reached over and took my hand in his, led it to his face and sniffed it deeply.

"I'm going to ask you to do something you might find a little shocking," he said.

"Don't worry, with the friends I keep, I've heard it all," I told him.

"I want you to put your hand back up your skirt," he said, "but this time I want you to pull your panties to the side and take your middle finger and make little, light circles on your clit. Can you do that?"

I'm sure I blushed like crazy, but he was really turning me on. My hand disappeared below the table and my fingers walked up my thighs, gripped the side of my panties and pulled them away, exposing my magic spot. I played around a bit, not really sure where my clit was, but I think I found it. You'd think a girl would instinctively know that.

"How does that feel?" he asked. I told him it felt nice.

He leaned across the table and said, "Now I want you to take your pointer finger and your ring finger and spread your pussy open. Once they are spread apart I want you to slide in your middle finger. Really slow. Feel the wetness and just let your finger slide in there."

I did and it was really wet and it felt really good. Then he asked me to pull it out and he held out his hand, taking mine, the middle finger glistening in the light. He pulled it toward him and placed it in his mouth, sucking on it gently. I thought he would never stop tasting...

"You have the sweetest-tasting pussy ever," he told me. "I would do anything to put my tongue between your legs and taste your exquisite juices. I swear I will not do anything that you don't want. If you want to stop, we will stop immediately."

For the first time in my life, I felt like I was ready to share my womanhood with a man. We walked to his apartment just a couple blocks away and he carried me into his room. He undressed me slowly and immediately worked his mouth magic on my coochie. While I think it only went on for a couple minutes, it seemed like forever—a great forever. Then I asked him to take me, to fuck my virgin pussy, and he didn't say a word. He spit on his hand and rubbed it on his cock and maneuvered himself between my legs. He entered slowly, his long cock hard as a rock and tight inside my uninitiated vagina. After a few minutes he picked up steam and was guiding me through all the positions my friends had been telling me about for all this time. It was the most amazing feeling in the world—obviously my friends weren't having as good sex as I was having right now or they had just been understating it all along. I never knew my pussy could feel like that and I didn't want it to ever stop. Finally he was making love to me from behind when he started grunting really loud and suddenly he pulled out and I could feel hot, thick drops splattering all over my butt and my back.

"So how was it?" he asked, his face drenched in sweat.

"Let's just say that my friends have nothing on me anymore!" I said. "And I also plan on drinking a lot more coffee from now on!"

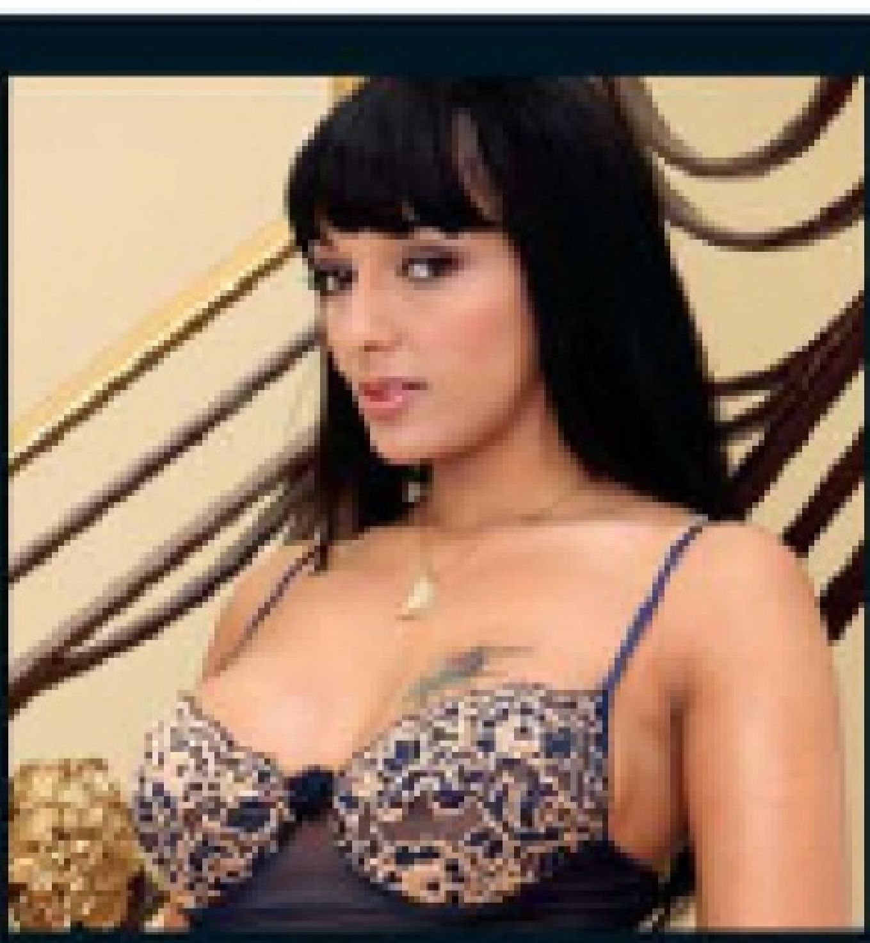
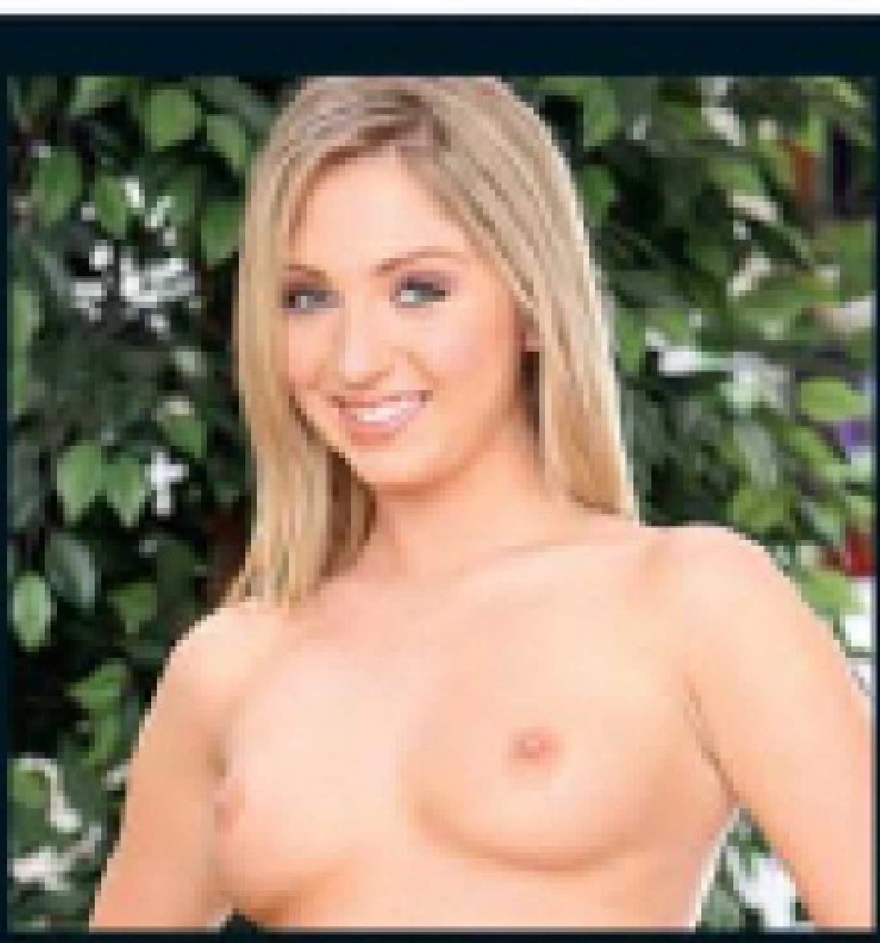
RAW PASSION

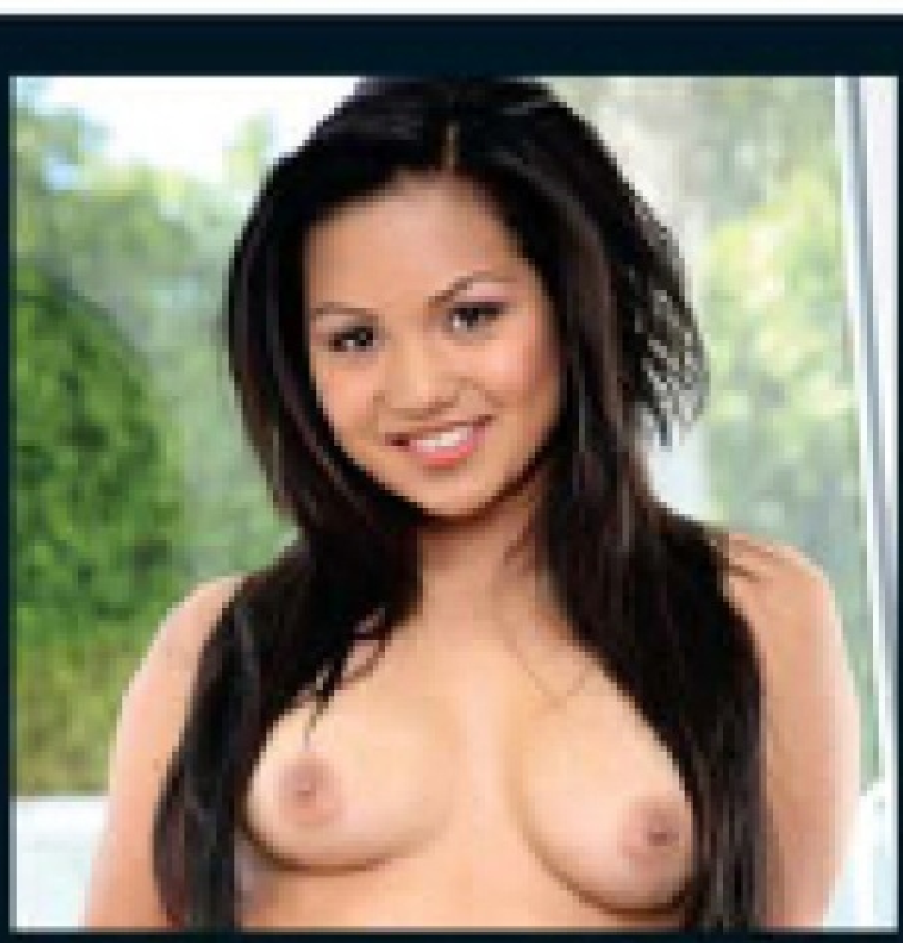
Story By Acme Andersson



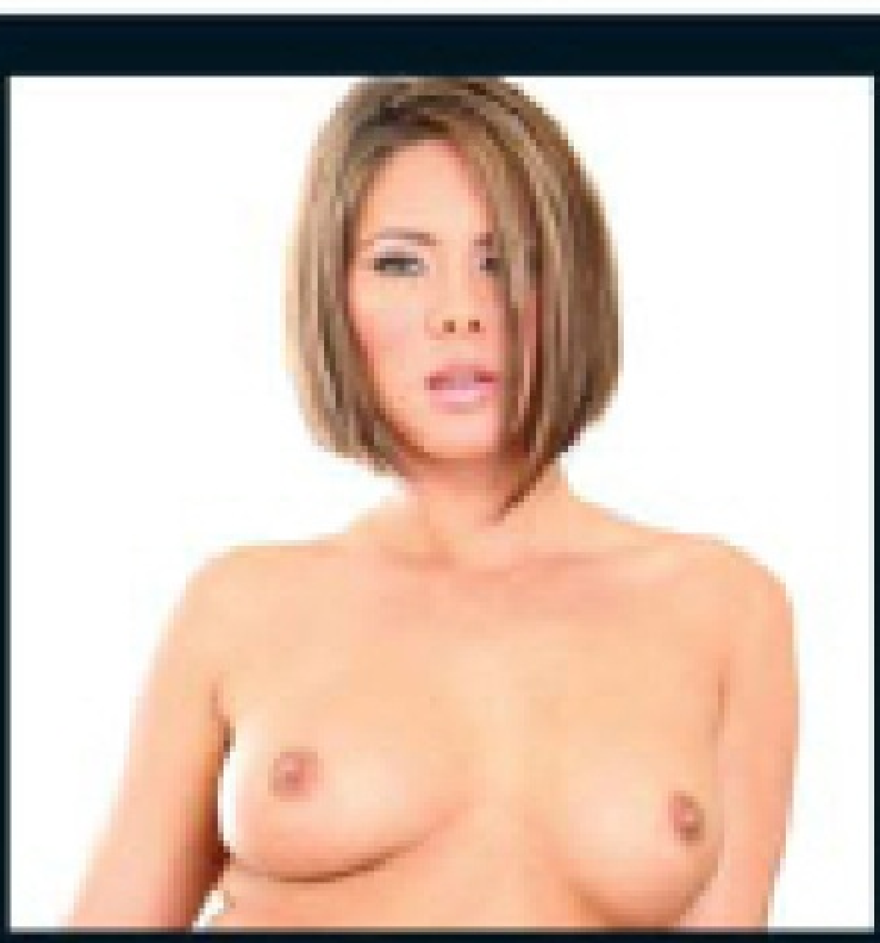
LOONA LUX



JAELYN FOX



LANA VIOLET



CAMRYN KISS

EVIE DELATOSSO

Some folks like their sex light and fluffy, and there's nothing wrong with that. But others like their encounters more spontaneous and dirty, and for them there is **Raw Passion.**

Directed by one of Porn Valley's finest, Tyrone Shuz, Raw Passion is a two-hour trip exploring the intense sexuality of five delicious ladies and the guys who nail them. Each girl brings her individual brand of desire to life for a spirited romp.

There is a pair of beauties with big breasts and dark hair (Loona Luxx and Evie Delatosso), a fiery blonde (Jaelyn Fox), an insatiable Asian (Lana Violet), and a sassy, full-bodied brunette (Camryn Kiss). It's a solid lineup that will give viewers loads of fun. Many loads of fun.

Loona Lux

with Michael Stefano

Loona is a brunette belle with dark hair, bangs, full, round tits, and fantastic eyes. She plays solo at first, perhaps refusing to meet her man face to face, lest she fall for him too hard. Alone, her hands caress her body, one exploring above the belt, the other below. She enjoys both, but hitting below the belt is where this exotic masterpiece finds the most satisfaction.

She finally relents, allowing her man to approach and he does so with flesh-stick drawn. Seeing that she has her hands full, he relieves her of self-fondling duties, allowing her the focus to stroke his cock, which is more than ready for her attention. Her big, brown eyes stare into his as she expresses her eagerness with mouth, hand, and tongue.

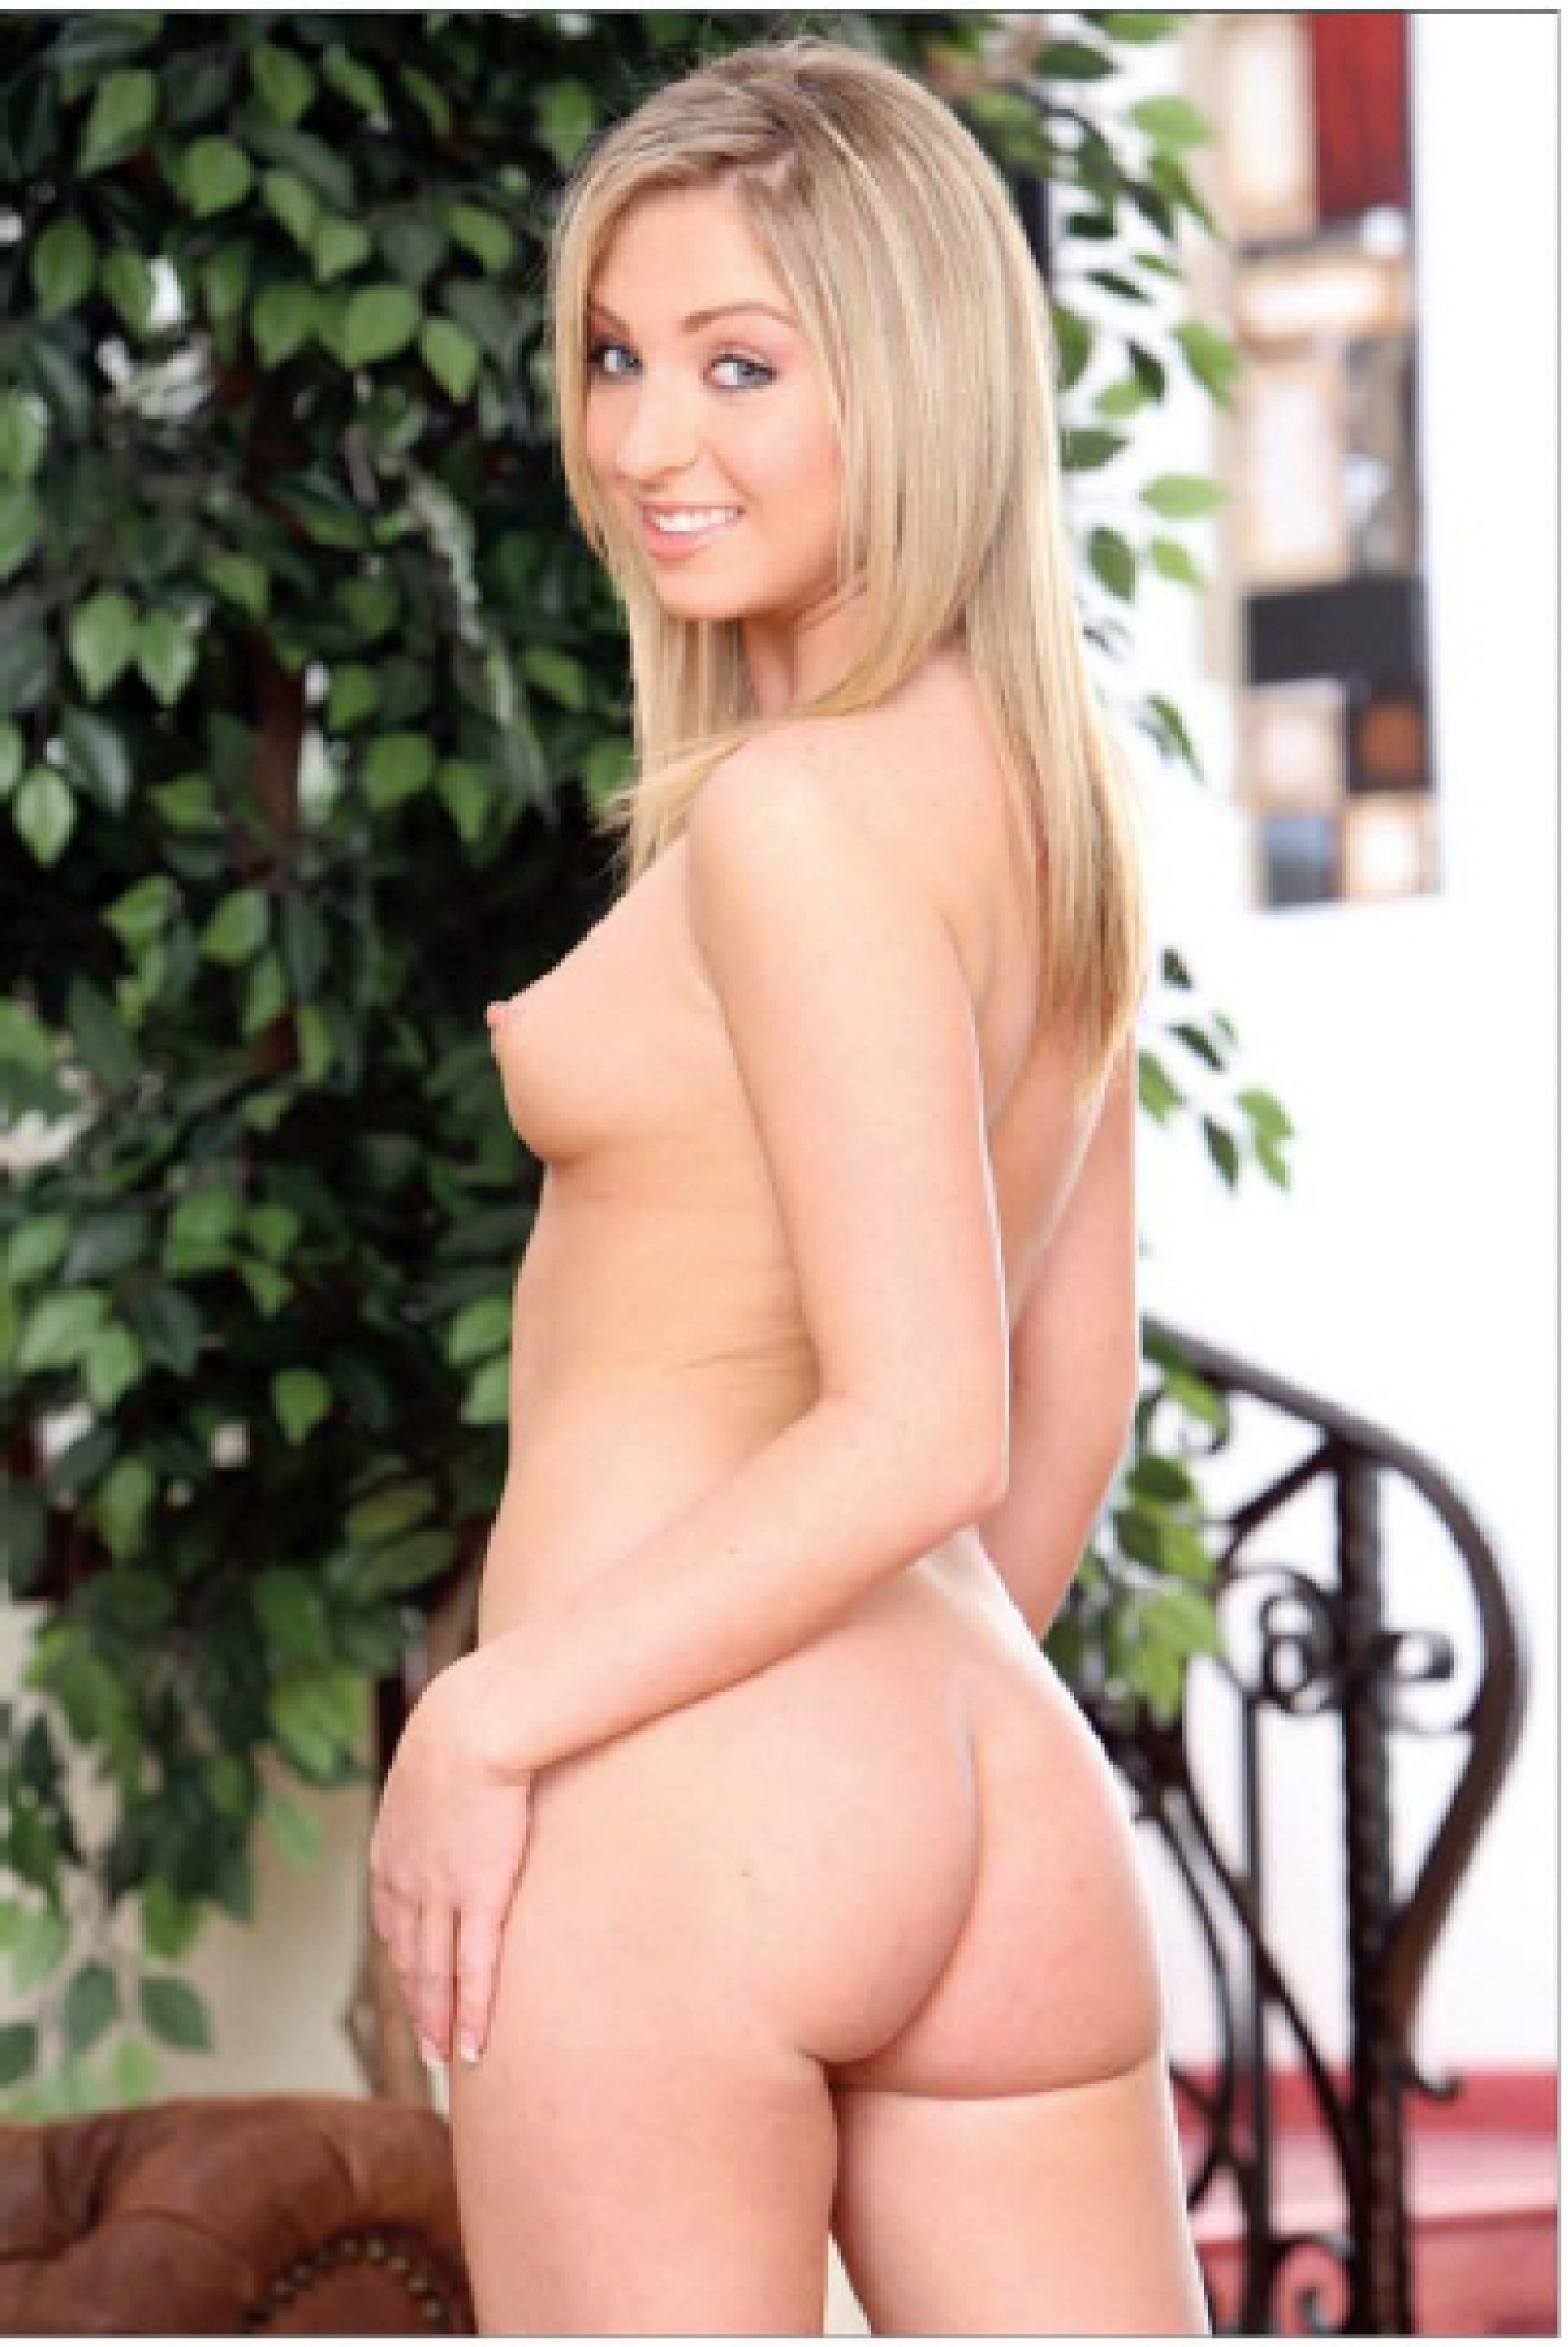
Standing, Loona's legs split at the knees, giving a sexy visual and a tight fit to Michael, who presses in slowly from behind, watching closely the push and shove of his cock in her tight, wet snatch. She moans dreamily, wiggling her ass for effect while Mike maintains focus, eyes on the prize of nailing this beauty's soft spot.

It's not just the pussy she wants taken, Loona is also anxious to have her butthole slammed with his magic stick. He sits down on the couch and she climbs up, his piece easily sliding into her backdoor. As he fills her ass, her fingers tickle her snatch, which we see has a zipper pull-tab as a clit ring. Genius!

With both holes shaking in satisfaction, Loona goes back to the beginning, silently sucking and stroking his cock until he's ready to blow, when she sits back and lets him blast on her tongue, face, and tits before disappearing into the darkness.

Euroslut goddess Loona Lux is one Frenchie we'd love to fuck!

ALL MODELS ARE 18 YEARS OF AGE OR OLDER



Jaelyn Fox

with Mr. Pete

She's entirely in her own world. Lying on her back on the couch, Jaelyn has a hand in her cotton panties and her lower half gyrates accordingly. Mr. Pete watches from the stairs above until he realizes resistance is futile, at which point he approaches quietly, surprising her with a passionate kiss, lifting her shirt to give her handfuls some fresh squeezes, then spreading her legs and sniffing her crotch through her wet panties before giving them the heave-ho.

Jaelyn's eyes nearly pop out of her head when his cock finds its way into her girlhole. She finally gets a bit of a grip and her hand jets down to play with her clit, but she finds she has neither the control nor the focus for such a delicate job—not while Mr. Pete's pecker is crammed deep into her bare puffiness, her lips flapping around his mass as her eyes roll back into her head. "I love it, I love it, I fucking love it!" she screams as Pete's meat jets in and out of her damp cave.

She gets on top and squirms on his rod, multi-orgasmic and sensitive, round bumper shaking for the camera, and she grunts and groans in satisfaction. Unable to maintain control, she finds herself on her hands and knees, ass high in the air and Pete splitting her pink divide.

A couple dozen orgasms out of the way, she goes ahead and lets Pete get one in. She devours his balls while massaging her clit until Pete splatters her face and hair with several jizz explosions, leaving Jaelyn with a shiny face and a stream of white stuff dangling several inches from her chin.

ALL MODELS ARE 18 YEARS OF AGE OR OLDER

Sucking dick, getting laid, or just standing around naked, Jaelyn is always a Fox!

Lana Violet

with Mark Ashley

The pool table. It's almost as ubiquitous in porn as the pizza boy. It is the perfect setup, what with hard sticks, lots of balls, and plenty of willing holes. Mark tries to teach Lana how to play the game, only to find out she knows all too well what to do with a stick. And balls. And holes.

She sits on the edge of the pool table and Mark's fleshy cue quickly finds its way into her corner pocket. She smiles lustily as it vanishes into her shaved spot and when he's all the way in, she throws her head back and screams, "Fuck me! Fuck me! Omigod!" Without exiting, Mark picks her up and carries her to the couch. Her legs are spread into a wide V for victory and they are both winners when he picks up speed and his balls are smacking against her asshole with every thrust.

She gets on top but Mark still does most of the work, just holding her steady as he jackhammers her from below. Finally she sits up straight, grinding then bouncing on his big dick, her volume a testament to the intensity of the action. She turns around, puts her feet on his thighs and rides, cumming on his cock as he continues to drill.

Mark is slamming her missionary when she calls for his shot and he promptly pulls out and strokes off on her smiling face. "I got to play with some real balls this time," she says with a smile.

Camryn Kiss

with Michael Stefano

After some sexy kissing and groping, Camryn finally manages to get Michael's jeans to fall and puts her grip on the man's meat. She pushes him back to the bed to blow him properly and he's happy to help get rid of excess threads. She gulps him hungrily, her thick lips like night crawlers around his stiff hook. She pushes her fleshy mounds together and he pumps his rod between them, the head of his cock just teasing her mouth.

Up against the wall, she wraps one leg around him, creating just the opening Michael needs to slide his rocky point into her pink. He leads her back to the bed, continuing to drill into her power source. "You fuck me so great," she purrs. "You have no idea how my pussy feels right now. You feel my pussy tighten around your cock?" His groan says that he does and soon they are locked in a love embrace, Michael thrusting as she pulls him close, moaning into his ear as he kisses her neck and nibbles on her lobe.

Slowly they switch positions, with Camryn landing on top, riding his cock while telling him to grab and squeeze her ass. He does and her cheeks are like oversized, tan marshmallows, ripe for squeezing. For her final trick she leads him back to the wall, sets herself up against it and lets him throw it to her from behind. Feeling his male urgency, she turns around and fingers her satisfied twat and jerks him, eagerly awaiting his boy-blast. He gives it to her in great volume, white stripes criss-crossing her tongue with a few puddles around her lips for good measure.

We wish we were hammerin' Camryn!

We'd love to toss around with Ms. Delatosso!

Evie Delatosso

with Jordan Ash

Evie gets the party started by taking matters into her own hands. She promptly works herself out of what little attire she started with, exposing fleshy funbags and a shaved cooch with meaty lips. Her fingers explore every wrinkle before her middle one finds its way into her wetness, a small step for Evie, a giant step for mankind. Still alone, she pulls out a purple vibrator, cranks it up and lets it fly into her darkness. Soon it's back out, dabbing at her clit as she shakes through a climax.

Jordan walks in and likes what he sees. After touring her with tongue and fingers, he settles on the bed and Evie props herself on top of him for a reverse cowgirl. Her titties bounce and sway as her snatch expands for his mighty hardness. She shows her enthusiasm both by her constant moans and squeals and by aggressively riding him, her hair flying wildly along with every other part of her outstanding figure.

When Jordan gets on top, Evie lets go entirely, her legs spread into splits, her head thrown back, and her body accepting completely Jordan's relentless push and shove into her wet, wonderful hole.

To finalize their transaction, his dick takes a trip down her mammary lane as she tilts her head up, mouth open and ready for his creamy filling. He finally blasts her, leaving his sticky remnants in her mouth and on her gorgeous rack. She rubs the splatter into her breasts while continuing to stroke his cock. "You're trembling," she says seductively. Yes, and he's not the only one….
